“Pins and Needles”

We continue to meet on the last Saturday of each month. We have a lovely little group of 6 to 7 each time who all love knitting. I had an enquiry from another person who is looking forward to joining us.

My thanks go out to Sue John who comes down and joins in and makes us a welcome tea/coffee/hot water.

Some knitters knit for Grandchildren, friends or the SCBU at the hospital.

We also meet some lovely people who are visiting the Cathedral from all over the world, so it's very worthwhile being able to be able to keep our doors open.
