Waiapu Walking Group

Recommendation:

That the Waiapu Walking Group Report is received.

The Waiapu Walking Group meets informally on the fourth Saturday morning of each month for walking, conversation and inspiration. Numbers vary, guests are always welcome.

Our inaugural walk was to Bell Rock on a windy day. The rock formations were fascinating and the views exhilarating. Pip Brooker provided just the right readings from Joy Cowley.

Other walks have included Maggie's Way at Taradale, the Art Deco buildings of central Napier, Te Mata Peak, Waitangi Park, White Pine Bush, the Bishop's Walk and Ahuriri Estuary. Each has offered a special moment, whether a series of rainbows, a chance acquisition when diverting to a second hand shop, or an ice cream reward on completion.

We have a walking programme for 2025, all are welcome to join us.
