

Cathedral Kids Report

Godly Play resources are now stored away so that they can be accessed as and when we need them for Cathedral Kids on Sunday mornings. Typically Marie Davis and I work with the Gospel of the day, enabling the small numbers of children who attend most Sundays to engage with the Bible and one another. I am grateful for Marie's support and also that of Jan Martin, Alistair Hendry and Deborah Broome, along with members of the welcoming team and the congregation who seek to support us in making children and families welcome. Thank you.

While it is a joy to provide this time for our Cathedral Kids and visitors too, Marie and I are very open to welcoming other adults to join us or to pass on this work to a team who feel called to take it up.

Janine Melville.
