

Pins and Needles Report

We meet on the last Saturday of each month in the back corridor of the Cathedral as it is warmer in the winter. (If a cruise ship is in port we do go into the main Cathedral)

We have between 5 to 8 people each time ranging from 19 years to elderly. We are a friendly wee group and would like to see more people join us even just for a chat between your shopping.

Morning tea and a snack provided.

Marie Knight.
